OVERVIEW

Zoning protects the rights of property owners while promoting the general welfare of the community. The purpose of zoning is to locate particular land uses where they are most appropriate. A property owner may submit an application requesting consideration of a zone change or modification to the zone district that their property is located. Requests for a rezoning are reviewed in accordance with the provisions of Section 106-171 of the City of La Porte Code of Ordinances and the city's Comprehensive Plan. Rezoning requests are reviewed by the Planning and Zoning Commission as a public hearing. The Commission consists of residents of the community appointed by City Council. The Commission meets on the third Thursday of every month, as necessary. The Commission will forward a recommendation to the City Council for final consideration.
