

## City of La Porte Emergency Medical Service

### Vial of Life Program Instructions

#### 1. Fill out the Vial of Life – Medical Information Form

- Complete the medical information form legibly and in English. (Call 281.471.9244 if you need assistance in completing the form).
- Be sure to answer any and all pertinent questions that may be beneficial to responding medics.
- Update the form as often as possible when changes develop.

For more copies of this form or for more information, go to [www.lpems.org](http://www.lpems.org)

#### 2. Place listed items into the Vial of Life

- Completed Medical Information Form
- Recent Photograph or (photocopy of Driver's License) If Available

#### 3. Place the Vial of Life into the Refrigerator

- Place the vial on a shelf in the door of your refrigerator as close to eye level as possible and towards the front for better visibility.

#### 4. Placement of Decals

- Place the round decal on your front door for easy visibility by responding medics.
- Place the rectangle decal on the outside of the refrigerator in a prominent location.
