

HARRIS COUNTY HEALTH DEPARTMENT INFORMATION

On June 12, 2006, the City Council of the City of La Porte approved Ordinance #2006-2891 authorizing an inter-local agreement between the City of La Porte and Harris County for Harris County to provide Food Establishment Surveillance Services to the City of La Porte.

Services provided by Harris County Public Health and Environmental Services may include, but are not limited to the following:

- (A) Permit food establishments
- (B) Inspect food establishments
- (C) Certification of establishments for the issuance of health permits.

Therefore, the Harris County Public Health and Environmental Services Department is responsible for the enforcement of the City of La Porte's food-permit ordinance.
