

La Porte Police Department (TX) Compliance Report for the Use of Small Unmanned Aircraft Systems by a Law Enforcement Agency (Texas Government Code 423.008)

This document satisfies the reporting requirements as listed in Texas Government Code Sec. 423.008, relating to the reporting of unmanned aircraft systems operations by Texas law enforcement agencies.

The La Porte Police Department (LPPD) operates Unmanned Aircraft Systems (UAS). All operators are FAA-licensed remote pilots. The LPPD UAS Program uses unmanned aircraft to accomplish La Porte Police Department missions and goals of the protection of human life and property.

Per current Texas Government Code Sec. 423.008:

(a) Not earlier than January 1 and not later than January 15 of each odd-numbered year, each state law enforcement agency and each county or municipal law enforcement agency located in a county or municipality, as applicable, with a population greater than 150,000, that used or operated an unmanned aircraft during the preceding 24 months shall issue a written report to the governor, the lieutenant governor, and each member of the legislature and shall:

(1) retain the report for public viewing; and

(2) post the report on the law enforcement agency's publicly accessible website, if one exists.

(b) The report must include:

(1) the number of times an unmanned aircraft was used, organized by date, time, location, and the types of incidents and types of justification for the use;

(2) the number of criminal investigations aided using an unmanned aircraft and a description of how the unmanned aircraft aided each investigation;

(3) the number of times an unmanned aircraft was used for a law enforcement operation other than a criminal investigation, the dates and locations of those operations, and a description of how the unmanned aircraft aided each operation;

(4) the type of information collected on an individual, residence, property, or area that was not the subject of a law enforcement operation and the frequency of the collection of this information; and

(5) the total cost of acquiring, maintaining, repairing, and operating or otherwise using each unmanned aircraft for the preceding 24 months.

The following table contains the required information, as logged and entered by each LPPD UAS pilot, from all 2021-2022 LPPD law enforcement UAS operations, followed by the total cost of acquiring, maintaining, repairing, and operating or otherwise using each unmanned aircraft for the preceding 24 months.

Date	Time	Location	Incident/ Justification	Description of Use	Data Collected
