OVERVIEW

A Special Exception provides an opportunity for certain exemptions for various code requirements when a property is designated as nonconforming. These exemptions are fully outlined in Section 106-191 of the City of La Porte's Code of Ordinances, and include certain reductions or waivers to parking requirements, deviations to yard requirements in certain circumstances, deviations from lot size or lot width in the Large Lot District (LL), and reconstruction or expansion of nonconforming buildings. Special Exception requests are reviewed by the Zoning Board of Adjustment (ZBOA) after a public hearing. Special Exceptions may only be approved if the ZBOA finds that such request will not adversely affect the value and use of adjacent or neighboring property or be contrary to the public interest. The ZBOA consists of residents of the community appointed by City Council. The ZBOA meets on the fourth Thursday of every month, as necessary.
